SPREAD SPECTRUM SCREENING LLC,

Plaintiff,

ORDER

10-CV-6523L

v.

EASTMAN KODAK COMPANY, INC., et al.,

Defendants.

This case was referred to mediation, as were scores of other cases, as part of this Court's Alternative Dispute Program. The order referring the case to mediation was entered July 13, 2012 (Dkt. #217). Because defendant Eastman Kodak Company is in bankruptcy and a Suggestion of Bankruptcy (Dkt. #216) has been filed, matters should be stayed and, therefore, the order referring the case to mediation is in all respects vacated.

IT IS SO ORDERED.

United States District Judge

Dated: Rochester, New York July 18, 2012.
